Communiqué

26 November 2025

Welcome to the Board's latest Communiqué.

New Board Staff

The Board welcomes Rebecca Payne, as its Administration Officer. Rebecca joins us with a strong background in healthcare administration and brings valuable experience in supporting teams and ensuring smooth operations. She is passionate about contributing to the Board's work and looks forward to collaborating with members and stakeholders.

We are excited to have Rebecca on board and know her skills and enthusiasm will be a great asset to our organisation.

Application Documentation Requirements

Given the ongoing increase in the complexity of pharmacy structures, the Board has determined that all application documentation must be complete and compliant before it can be considered at a meeting. As previously advised, documentation is required at least 20 working days prior to the scheduled meeting. Incomplete or non-compliant submissions place significant strain on Board staff.

While the Board may allow limited flexibility if documentation is incomplete at the time of receipt, it emphasises that any applications with outstanding documents not received at least one week before a meeting will be deferred until all required materials have been submitted.

CHANGES TO THE REGISTER

The Board provides the following recent changes to its Register and advises the complete Public Register is available on its website.
